Providing full day three, four and early five year old programs and Before/After School Care for Kindergarten through Grade 8.

The CCC is an early learning center providing quality care in a nurturing Christian environment. The CCC provides structured care with both an educational and a Christian curriculum.

Our three, four and early five year old programs include theme based activities, age-appropriate projects, independent choice and opportunities for indoor and outdoor play.

Our classes promote readiness skill such as:

1. The recognition of eleven basic colors.
2. The recognition of six common shapes.
3. The recognition of numbers one through twenty.
4. The recognition of the child's own first and last name.
5. The introduction of capital and lower case letters.
6. The introduction of printing the letters of the alphabet.
7. The introduction of printing the child's first and last names.

The introduction of common sounds of each letter.

Our **Before/After School Program** offers homework assistance and daily crafts or projects with weekly bible lessons on Fridays. Through interactions with their peers, the children have an opportunity to learn and share, to encourage each other, to respect the rights of others and stand up for their own rights.

Our **School Year Program** runs Monday – Friday 6:30am- 6:15pm for children ages three, four and early fives, Before and after school for children kindergarten through grade 8.

Our **Summer Program** provides all day care for children age three through grade 8 with special events and activities for the ten weeks of summer.
