Welcome To Our Nursery!

The purpose of our Child Care Ministry is to provide a safe, secure and loving environment for all children in a Christian setting. It is our endeavor to ensure an atmosphere that is not only pleasant but one that encourages the beginning of a friendly relationship for children with the church.

The staff who serve in our Child Care Ministry are trained in Infant and Childhood First Aid and CPR and provide not only quality babysitting but age appropriate activities that stimulate creativity, exercising both body and mind with a focus on spiritual teaching.

Please take a moment to get to know those who are serving you and your family in the Child Care Ministry. It is as important for them to know you and feel comfortable that you are satisfied with their ministry as it is important for you to feel comfortable with them!

Thank you for the privilege of serving you and your family in this special way! If you have any questions, please feel free to contact Joni Behrendt, Director of Children and Family Ministries (behrendtj@baumc.com)
